### **Does Jesus promote Astrology?**

Astrologers use the Sun, Moon, and Stars as “**Signs**” for determining a favorable or unfavorable time to engage a desired activity. In the New Testament of the Bible, Jesus told His followers by observing the “**Signs**” **in the Sun, and in the Moon and the Stars...** they shall see the Son of man coming in a cloud with power and great glory.

• **Luke 21:25**, And there shall be signs<sup>4591</sup> in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; 26 Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken. 27 And then shall they see the Son of man coming in a cloud with power and glory. That word “Signs” in Greek is Semeion<sup>4591</sup>. According to the Strong's Hebrew Lexicon “Semeion,” means a sign portending remarkable events soon to happen, a distinguishable event that transcends the common course of nature. The “Pleiades” is a Star-System in the Constellation of Taurus. Alpha Orionis is Betelgeuse the super giant Red-Star. That marks the winter Shoulder of the Constellation of Orion the Hunter.
